The College of Business also offers certificate programs in:

- Acquisition & Contract Management
- Aviation Management
- Logistics & Supply Chain Management
- Management of Technology
- Marketing
- Project Management
- SAP Certificate

Information about these certificate programs can be found at the end of the College of Business catalog section.

The mission of the College of Business is to offer programs of study to students that will prepare them for positions in business, finance, or government; enhance the professional development of those already employed; and provide an academic framework for graduate study leading to professional positions. The purpose of the College of Business is to provide quality education for all students, teaching them to think critically, to use technology efficiently, to be effective leaders, decision makers, and communicators; to maintain ethical standards, and to understand the global economy. To carry out its mission and support its purpose, the College of Business has established the following goals:

- Provide for continuous improvement of the programs within the College of Business in keeping with the standards set by Athens State University, the Southern Association of Colleges and Schools (SACS), and the Accreditation Council of Business Schools and Programs (ACBSP).
- Place excellence in teaching as the number one priority for serving students and for evaluating faculty.
- Encourage growth and diversity in the faculty and student body.
- Seek community and business relationships for advice and support of student and curriculum needs.
- Maintain cooperative relationships with other educational institutions to facilitate student transfer, maximize resource utilization and provide quality programs.
- Support a quality-based, equivalent learning environment for all students in all settings.
- Produce graduates who will be academically and professionally prepared by the quality teaching programs of the College of Business for work in an increasingly diverse, global environment.

Athens State University, through its College of Business, is nationally accredited by the Accreditation Council of Business Schools and Programs to offer the Bachelor of Science (B.S.) degree with majors in accounting, acquisition and contract management, enterprise systems management, human resource management, logistics and supply chain management, management, and management of technology. The College of Business curriculum complies with the Common Professional Component (CPC) recommended by the ACBSP. Instruction offered by the College of Business is designed to assist in the preparation of competent and effective professionals in the areas of accounting and management. Students completing a degree program offered by the College of Business will possess the following skills and competencies:

- Demonstrated knowledge of core business concepts, theories and applications in the areas of accounting, finance, management, marketing, management information systems, global business, strategic management, and production.
- Demonstrated proficiency in the use of technology as it relates to business.
- Demonstrated ability to effectively apply critical-thinking skills to analyze business issues and financial data.
- Demonstrated knowledge of the global economy including an appreciation of diversity as it relates to business.
- Demonstrated ability to effectively communicate orally and in writing.
- Demonstrated understanding and appreciation of ethical issues as it relates to business.
- Demonstrated understanding and ability to use effective managerial, leadership and group interaction techniques.

Distance Education

All College of Business majors are available online. All professional coursework for these majors may be completed via distance learning. However, if students have not completed all general education and pre-professional course requirements, the University cannot guarantee that all courses will be available in online formats. For further information regarding distance education, refer to the Academic Policies section in the Introduction and General Information portion of the catalog or the University website.

Assessment (Pre- and Post-Testing)

The College of Business, as a part of its continuous evaluation process, has implemented a program to assess the business knowledge levels of incoming students. This will be accomplished through a pre-test to be administered in a required course, MG 320 Organizational Communication. This course should be taken during a student's first term at Athens State University. New students who have previously completed an equivalent business communication course will take the pre-test in GBA 300 Business Research Skills, a 1-semester hour course designed to familiarize students with business information sources and library research skills (*this course is required for students who do not complete MG 320 at Athens State*). A post-test will be administered in the capstone course, MG 420 Business Policy, which should be taken during a student's last term. In addition to the pre- and post-assessment related to knowledge of the core professional courses, most business majors will also take a pre- and post-assessment designed to measure knowledge related to their specific major(s).

LiveText is a software platform used for creating an electronic portfolio. It is required in all "core" business courses (AC/MG 302, MG 320/GBA 300, MG 346, MG 350, MG 352, MG 390, MG 420, MG 480, MK 331). Specified work in these courses will be placed in this portfolio and will be used in assessing student progress. This program will also provide students a digital professional development resource and a workspace for building and maintaining an online personal portfolio reflecting educational achievements, and may be used for developing career credentials. There is a one-time cost for this membership. Membership is available for up to five years.

Advising and Scheduling Information

Academic Advising

An Academic Advisor is assigned to each College of Business major by the Transfer Student Success Center Counselor for the College of Business. After a student's transcripts (from all transfer institutions) have been received, the Counselor prepares a plan of study which reflects the transferred credit and the requirements for degree completion. A copy of the plan of study is provided to the student and the advisor. Students are encouraged to read all the information regarding degree requirements on the plan of study. Updating the plan of study each term will help a student have a clear understanding of requirements for degree completion. Students should contact their advisor for any questions about the degree plan. Office hours are available on the College of Business website, along with telephone numbers and e-mail addresses. Students may also contact the College of Business staff whenever assistance is needed.

Scheduling

Degree programs in the College of Business are developed to ensure that students who complete the programs possess the skills and competencies for successful careers or further academic study. To obtain the maximum benefit from the programs, some sequencing of courses is necessary.

Most business courses are offered each term, particularly the common core courses which are required in all College of Business majors (AC/MG 302, MG 320, MG 346, MG 350, MG 352, MG 390, MG 420, MG 480, MK 331). However, some courses, particularly those which are required in only one program or minor, are offered less frequently. Observing the following guidelines will help you in efficient scheduling.

- Those courses in most demand (common core courses) are generally offered each term in multiple formats.
- Courses which are specific to only one program (or minor), may not be offered every term and/or in all formats.
- Sequential courses (especially accounting and statistics) must be taken in order, and may be offered on a rotating or alternating basis.

Students should plan accordingly and not wait until they are nearing the end of their program to begin scheduling the less frequently offered courses or sequential courses.

Special Scheduling Requirements

First Term:

The following course, which is required for all Business majors, MUST be taken in the student's first term at Athens State. MG 320 Organizational Communication (3 semester hours). This course includes an initial assessment as part of our required outcomes assessment plan.

The following courses, which are required for all Business majors, should be taken in the student's first term at Athens State. The content in these courses is essential preparation for other courses in the curriculum.

AC/MG 302 Management Information Systems (3 semester hours).

MG 346 Principles of Management and Leadership (3 semester hours).

Accounting majors should take AC 321 Intermediate Accounting I in the first term it is offered.

Last Term:

The following courses (which are required in all Business majors) should be taken during the student's last term at Athens State.

MG 420 Business Policy (3 semester hours). This course is the capstone course which integrates content from all other core business courses. The required Assessment Exam is given in this course.

MG 480 Seminar in Business (2 semester hours).

Prerequisites

Observance of prerequisites will ensure that students have the background knowledge to obtain the maximum benefit from the curriculum. Please consult the course descriptions section of this catalog for information on course prerequisites.

Degree Programs in the College of Business

General University Requirements for Graduation

Every student planning on completing an undergraduate degree/major program at Athens State University must satisfy all University requirements and meet all financial obligations before a degree is awarded.

To be eligible to receive an undergraduate degree, a student must:

- Complete a minimum of 124 semester hours with at least 25 percent of the degree requirements earned at Athens State University.
- Attain a minimum institutional grade point average of 2.0 on all coursework attempted at Athens State University, and at least a 2.0 in the major field. **College or departmental regulations may require grade point averages higher than 2.0. These degree-specific requirements are published in the appropriate degree/major section of the University catalog.**
- Complete a minimum of 60 semester hours from an accredited baccalaureate degree granting institution; **at least 51 semester hours of credit must be at the 300-400 level.**
- Complete all of the general education and pre-professional courses (Areas I-V) required for the degree or major(s).
- Apply no more than 64 semester hours of non-traditional/non-graded college credit toward the degree.
- Complete all course requirements for the degree or major(s).
- Complete a minimum of 15 semester hours of upper level (300-400 level) coursework in the major at Athens State University, not including courses taken by reciprocal or visiting arrangements. **College or departmental regulations may require completion of more than 15 semester hours of coursework in the major at Athens State University. These degree-specific requirements are published in the appropriate degree/major section of the University catalog.**
- Complete all course requirements for the minor (when applicable).
- Complete the requirements for teacher certification (when applicable).

The rules, regulations, policies, fees and other charges, courses, programs of study, and academic requirements that appear in this catalog were in effect at the time of its publication and every effort has been made to ensure the accuracy of all information. The contents are published for informational purposes only, and do not constitute a contract between the University and any student, applicant for admission or other person. Statements regarding courses, programs of study, fees, and conditions are subject to change without advance notice.

ACCOUNTING (AC)

The objective of the major in accounting is to prepare students for a wide variety of careers in professional accounting, including public accounting, industrial accounting, internal auditing, and government service, and to provide an academic framework for future graduate study. With a wide variety of career options available to accounting graduates, the Department of Accounting now offers an additional option for accounting majors, "Accounting with a Minor." Under this option, the student will take the core accounting requirements and pair them with a minor selected from a variety of management fields. Please note that the "Accounting with a Minor" option will not include all of the courses required to sit for the CPA exam. If you intend to sit for the CPA exam, you should complete the "Accounting" (no minor) option.

Students who plan to sit for the CPA Exam in Alabama must complete a total of at least 150 semester hours. This may be accomplished by completing additional undergraduate courses or entering a master's program and completing the coursework required by the Alabama C.P.A. Board. (See recommended courses on the next page.)

Bachelor of Science – Accounting (no minor)

EACH STUDENT MUST ASSUME RESPONSIBILITY FOR KNOWING THE ACADEMIC REQUIREMENTS FOR THE DEGREE THAT IS BEING PURSUED.

Program components for the Bachelor of Science degree with a major in Accounting (no minor):

Applicable General University Requirements

Students earning the Bachelor of Science (BS) degree with a major in Accounting (no minor) must satisfy all general University requirements and meet all financial obligations before a degree is awarded.

General Education Requirements

Area	Discipline/Course	Hours
I	Written Composition	6
II	Humanities/Fine Arts (12 hours total)	
	At least one fine arts course	3
	At least one literature course*	3
	Other courses in humanities or fine arts	6
III	Mathematics and Natural Sciences (11 hours total)	
	Finite math or the equivalent	3
	Natural sciences (lab-based)	8
IV	History/Behavioral and Social Sciences (12 hours total)	
	Macroeconomics (ECO 231)	3
	Microeconomics (ECO 232)	3
	At least one history course*	3
	Other course in history or behavioral/social science	3
	*Students must complete a 6 hour sequence in either Literature (Area II) or History (Area IV).	
	Total General Education Requirement Hours:	41

Major Prerequisite (Pre-Professional) Course Requirements (Area V)

	Discipline/Course	Hours
	Microcomputer Applications (CIS 146)	3
	Principles of Accounting I and II (BUS 241 and BUS 242)	6
	Business Statistics I (BUS 271)	3
	Business Statistics II (BUS 272)	3
	Legal and Social Environment of Business (BUS 263)	3
	Elective	3
	Total Major Prerequisite Requirement Hours:	21
	Total General Education and Major Prerequisite Requirement Hours:	62

Professional Course Requirements (courses are listed in the order they should be taken)

All business majors must take a “pretest” in their first term at Athens State. The test is administered in MG 320 Organizational Communication. For students who completed an equivalent course at a junior college, the test will be given in GBA 300 Business Research Skills [see below and “Assessment” in the College of Business General Information section].

	Course	Hours
	MG 320 Organizational Communication (<i>MUST be taken 1st semester</i>) Students who do not complete MG 320 Organizational Communication at Athens State are required to take GBA 300 Business Research Skills, a 1 hour course designed to familiarize students with business information sources and library research skills.	3
	AC 302 Management Information Systems (<i>should be taken 1st semester</i>)	3
	AC 321 Intermediate Accounting I (<i>take 1st semester available</i>)	3
	MG 346 Principles of Management and Leadership (<i>should be taken 1st semester</i>)	3
	AC 361 Federal Tax Accounting I	3
	AC 303 Management Decision Support Systems	3
	AC 322 Intermediate Accounting II	3
	AC 362 Federal Tax Accounting II	3
	MK 331 Marketing Principles	3
	AC 312 Law for Accountants	3
	AC 323 Intermediate Accounting III	3
	AC 401 Auditing	3
	MG 350 Financial Management	3
	AC 431 Advanced Accounting	3
	AC 442 Advanced Auditing and Fraud Examination	3
	MG 352 International Business or EC 320 International Economics and Trade	3
	MG 390 Operations Management	3
	AC 435 Governmental Accounting	3
	AC 471 Cost Accounting (<i>Accounting Capstone course to be taken final semester</i>)	3
	MG 420 Business Policy (<i>Capstone course: A final average of at least 70% must be achieved. Course should be taken final semester.</i>)	3
	MG 480 Seminar in Business (<i>Senior seminar: A final average of at least 70% must be achieved. Course should be taken final semester.</i>)	2
	Total Professional Requirement Hours:	62

Assessment Exam: Student must earn an acceptable score on an assessment exam in MG 420 containing questions dealing with the skill and competency areas around which the curriculum is based.

		Hours
	Total Minimum Hours Required for Completion of Accounting Major (no minor)	124

Recommended Courses for Students with Non-Accounting Degrees Preparing to Sit for the CPA Exam in Alabama:

AC 321/322/323 Intermediate Accounting I/II/III	AC 435 Governmental Accounting
AC 361/362 Federal Tax Accounting I/II	AC 442 Advanced Auditing and Fraud Examination
AC 401 Auditing	AC 471 Cost Accounting
AC 431 Advanced Accounting	AC 312 Law for Accountants

For students who completed some of the above courses in their degree program, the following substitutions are recommended: AC 303 Management Decision Support Systems, GBA 314 Business Ethics, MG 410 Employment Law, and other business courses recommended by Accounting faculty advisor.

For additional information see the Alabama State Board of Public Accountancy website at <http://www.asbpa.alabama.gov/>.

Bachelor of Science – Accounting with Minor

With a wide variety of career options available to accounting graduates, the Department of Accounting now offers an additional option for accounting majors, “Accounting with Minor.” Under this option, the student will take the core accounting requirements and pair them with a minor selected from a variety of management fields. **Please note that the “Accounting with Minor” option will not include all of the courses required to sit for the CPA exam. If you intend to sit for the CPA exam, you should complete the “Accounting” major (no minor).**

EACH STUDENT MUST ASSUME RESPONSIBILITY FOR KNOWING THE ACADEMIC REQUIREMENTS FOR THE DEGREE THAT IS BEING PURSUED.

Program components for the Bachelor of Science degree with a major in Accounting with a required minor:

Applicable General University Requirements

Students earning the Bachelor of Science (BS) degree with a major in Accounting with Minor must satisfy all general University requirements and meet all financial obligations before a degree is awarded.

LOGISTICS AND SUPPLY CHAIN MANAGEMENT (LSM)

Students will learn how to plan and forecast demand for product and services, to gain an understanding of operations involving the movement of materials from raw materials for production to providing the finished product to the end consumer. After gaining an understanding of the supply chain function, students will learn how to manage the logistical movement of goods and products to include the transportation and services involved. An emphasis will be placed on understanding these functions within the government setting.

Bachelor of Science - Logistics and Supply Chain Management

EACH STUDENT MUST ASSUME RESPONSIBILITY FOR KNOWING THE ACADEMIC REQUIREMENTS FOR THE DEGREE THAT IS BEING PURSUED.

Program components for the Bachelor of Science degree with a major in Logistics and Supply Chain Management:

Applicable General University Requirements

Students earning the Bachelor of Science (BS) degree with a major in Logistics and Supply Chain Management must satisfy all general University requirements and meet all financial obligations before a degree is awarded.

General Education Requirements

Area	Discipline/Course	Hours
I	Written Composition	6
II	Humanities/Fine Arts (12 hours total)	
	At least one fine arts course	3
	At least one literature course*	3
	Other courses in humanities or fine arts	6

MANAGEMENT (MG)

The objective of the major in management is to provide students with a comprehensive business education, which will prepare them to enter managerial employment or to assist in the development of individuals who hold those positions. In addition, this major provides an academic framework for future graduate study. Management encompasses the traditional business curriculum which includes coursework in accounting, finance, management, marketing, management information systems, global business, strategic management, and production theories/concepts.

Management majors who wish to pursue a specialized area of study as a part of a management major may elect to complete the "Management with Minor" major immediately following the general management major requirements. Minors are available in the following areas: Acquisition & Contract Management, Aviation Management, Enterprise Systems Management, Finance, Health Care Management, Human Resource Management, Information Assurance Management, Information Systems Management, International Business, Logistics and Supply Chain Management, Marketing, Operations Management, Project Management, and Small Business/Entrepreneurship. NOTE: Please be aware that course work for all of the minors may not be offered at all sites.

Bachelor of Science – Management (no minor)

EACH STUDENT MUST ASSUME RESPONSIBILITY FOR KNOWING THE ACADEMIC REQUIREMENTS FOR THE DEGREE THAT IS BEING PURSUED.

Program components for the Bachelor of Science degree with a major in Management (no minor):
