

College of Education

Patricia Sims, Ed. D. – Dean

The College of Education at Athens State University is accredited by the National Council for Accreditation of Teacher Education (NCATE) 2010 Massachusetts Avenue, N.W. Suite 500, Washington, D.C. 20036. NCATE is currently collaborating with TEAC (Teacher Education Accreditation Council) to form a new unified accrediting body called *The Council for Accreditation of Educator Programs* (CAEP).

Athens State University is approved by the Alabama State Department of Education for the training of elementary, secondary, and postsecondary school teachers. The Alabama State Department of Education is a member of the National Association of State Directors of Teacher Education Certification.

The table below summarizes the degree options, majors, and minors offered by the College of Education. Information about the minors listed below can be found in the Minors section of this catalog. Information about the certificate programs listed below can be found at the end of the College of Education catalog section.

Program Name	Degree(s) Available	Minor Available	Certificate Available
Early Childhood Education (P-3)	BSEd	Yes	
Early Childhood/Special Education		Yes	
Educational Technology		Yes	Yes
Elementary Education (K-6)	BSEd		
Elementary/Collaborative (K-6)	BSEd		
English Language Learner (ELL)		Yes	Yes
Health Fitness		Yes	
Instructional Design		Yes	Yes
Instructional Technology			Yes
Physical Education (P-12)	BSEd		
Professional Studies		Yes	
Special Education (Collaborative Teacher) (K-6)	BSEd		
Special Education (Collaborative Teacher) (6-12)	BSEd		
Technical Education – Secondary Instructor (Class B Certification)	BSEd		
Technical Education – Early Instructor Option (Non-certification)	BSEd		
Technical Education – Instructional Design (Non-certification)	BSEd		
Technical Education – Military Instructor (Non-certification)	BSEd		
Technical Education – Post-Secondary Instructor (Non-certification)	BSEd		

The College of Education also offers the required Professional Studies coursework for licensure/certification in approved BA or BS programs offered by the College of Arts and Sciences:

- Art with Minor in Education (P-12)
- Biology with Minor in Education (6-12)
- Chemistry with Minor in Education (6-12)
- English/Language Arts with Minor in Education (6-12)
- History with Minor in Education (6-12)
- Mathematics with Minor in Education (6-12)
- Social Science with Minor in Education (6-12)

Information about these programs can be found in the College of Arts and Sciences catalog section.

College of Education – General Information

Mission Statement

The College of Education's mission is to prepare teacher candidates to be reflective practitioners who are knowledgeable, collaborative professionals. They will have a rich knowledge of content with an understanding of how people learn in various ways combined with the ability to apply that knowledge to assure student success.

Goals

The College of Education educates pre-service teachers who embrace student-centered learning, maintain a comprehensive knowledge of content knowledge, possess an excellent foundation of professional and pedagogical knowledge, and model social justice through social responsibility. Our graduates are able to do this through adherence to institutional, state, and national standards that support the conceptual framework.

Graduates from the College of Education at Athens State will have the knowledge to apply:

- Disciplinary Knowledge;
- Professional Knowledge;
- Pedagogical Knowledge; and

the ability to create student-centered learning opportunities and practice socially responsible citizenship.

Teacher Education Program

The Teacher Education Program at Athens State University promotes professional development of students who seek teaching as a career, students who will become Reflective Practitioners. The program is approved by the Alabama State Department of Education and accredited by the National Council for Accreditation of Teacher Education. Students are advised and assisted in each phase of their preparation program. The College of Education offers undergraduate degrees leading to Class B Certification in Early Childhood Education, Elementary Education, Elementary/Collaborative K-6 Education, Physical Education, Special Education K-6, 6-12 (Collaborative Teacher), and Technical Education. The College of Education also offers secondary certification in the following College of Arts and Sciences programs through a minor in Education: Art, Biology, Chemistry, English/Language Arts, History, Mathematics and Social Science.

The preparation of teachers is built on a liberal arts foundation. Those students preparing for teaching positions in the secondary schools pursue a major through the College of Arts and Sciences with a minor in Education. Teaching certification requirements are completed through the College of Education. Students preparing to teach special education/collaborative, early childhood, and elementary education concentrate on subject matter relevant to the major. Those who are preparing to teach physical education pursue a broad program appropriate to both elementary and secondary schools. Students in the technical education program are preparing to teach their specialized skill areas. All groups complete their programs with specific and appropriate professional courses.

All programs are designed to assist students in acquiring knowledge and abilities to become teachers who participate in positive interactions, show respect for self and others, exhibit interest in the learner and the learning process, assume responsibility, exhibit stewardship of diversity, advocate use of technology, and exhibit fairness and the belief that all students can learn. Faculty model varied methods, strategies and techniques. Students demonstrate attainment of knowledge and skills in campus-based classes and field-based settings. Students will develop an electronic professional portfolio that reflects evolving professional growth and the ability to integrate general learning, subject matter, professional and pedagogical studies. The College of Education conducts follow-up studies of graduates in an effort to assess teaching effectiveness and to secure data vital to future planning and development and offers special assistance to beginning teachers.

Courses that require admission to the Teacher Education Program (TEP) are not accepted as transfer credit (no exceptions). The State of Alabama articulation agreement requires the University to accept other courses taken at community colleges if such courses satisfy requirements specified for a given degree program. Changes to the requirements of the Teacher Education Program may occur at any time due to certification changes made by the State Department of Education. Students are advised to check updated program of study forms for these changes.

Students seeking a degree that leads to certification through a College of Education program, or a College of Arts and Sciences program with a minor in Education, are required to be fingerprinted and ABI/FBI cleared for the Alabama State Department of Education. The student shall be issued a suitability determination from the State Superintendent of Education. The student must provide the Teacher Education Services Department documentation of having cleared the criminal history background check prior to admission to a State-approved teacher education program.

A student whose suitability determination precludes admission to a State-approved teacher education program has the right to due process procedures in accordance with Alabama State Department of Education Rules.

Field Experience

Field experience, a requirement of the Alabama State Department of Education, is an invaluable opportunity to observe and be involved in real life teaching situations. During P-12 school visits students will learn pedagogy and management strategies and, in some instances, be allowed to practice their teaching skills. For additional information about field experience visit the University website: www.athens.edu/education/field-experiences.

Professional Review Board

A Professional Review Board composed of education faculty members meets periodically to review unsatisfactory performance and progress of students referred by faculty members. Actions that can cause students to be referred to the Professional Review Board include **but are not limited to** the following: an unacceptable score on a Professional Disposition, or removal of student from field experience and/or internship. Certain actions or misconduct may be violations of the Student Code of Conduct, and may be subject to the disciplinary procedures of the Code. For additional information, see the *Student Code of Conduct and Disciplinary Procedures*.

Admission into the Teacher Education Program (TEP)

Students seeking a degree that leads to certification through a College of Education program, or a College of Arts and Sciences program with a minor in Education, must apply and be accepted into the Teacher Education Program (TEP). Students applying for admission into the TEP Program must meet all the TEP admission requirements. No more than five courses in the Professional Education Requirements of the program of study may be completed before admittance to the TEP Program. , Check plan of study for approved courses. **Courses that require admission to the TEP Program are not accepted as transfer credit (no exceptions)**. For additional information about the Teacher Education Program (TEP) visit the University website: www.athens.edu/education/tep-info.

Students must demonstrate academic competence in the required content. The following Grade Point Averages (GPA) are required for admission into the TEP Program, and for graduation in the degree programs that lead to certification:

- * **GPA Requirements for College of Education program majors:**
Cumulative GPA 2.75; Professional Studies GPA 2.75; Teaching Field GPA 2.75
- * **GPA Requirements for College of Arts and Sciences program majors with a minor in Education:**
Cumulative GPA 2.75; Professional Studies GPA 2.75; Teaching Field GPA 2.75

IMPORTANT NOTICE!!!

The State Department of Education retains the right to deny credit for a course with a prerequisite of admission to the Teacher Education Program if that course was taken prior to admission. Students seeking certification who are not admitted to the Teacher Education Program and who register for courses that require admission will be withdrawn from the course by the College of Education.

Internship (Student Teaching)

The professional Internship Program for interns bridges the gap between theory and practice. The Internship experience is regarded as the most significant laboratory experience in teacher preparation. It is regarded as a period of learning for the intern under the supervision of the classroom teacher, local school, and an Athens State University supervisor. Successful completion of the internship course is required for graduation. For additional information about Internship visit the University website: www.athens.edu/education/internship.

Certification

The State Board of Education periodically revises the requirements governing certification in the State of Alabama. Therefore, requirements for degrees leading to certification are subject to change from those published in this catalog. Students are advised to secure a current plan of study from their advisor(s) to ensure that degree requirements and certification requirements are met.

Issuance of Alabama teaching certificates is the legal responsibility of the Alabama State Department of Education. Universities and colleges cannot issue a professional certificate. However, in order to be certified at the professional "B" level, a student must complete an appropriate plan of study at a college or university which has been approved by the State Department of Education. When a student completes the plan of study, the institution recommends to the State Department of Education that the appropriate certificate be awarded. For additional information about certification through Athens State University visit the University website: www.athens.edu/education/certification.

A student cannot be recommended for certification based on completion of a program for which State approval expired more than seven years prior to the date of program completion.

Praxis II Requirements

Students seeking a degree that leads to certification through a College of Education program, or a College of Arts and Sciences program with a minor in Education, and subsequent licensure and certification by the State of Alabama, are required to pass the appropriate Praxis II exams for their program of study. A complete listing of these exams along with required scoring information can be reviewed on the College of Education's webpage. **It is the student's responsibility to schedule, complete tests, and receive**

test scores prior to placement for internship (student teaching).

Support for Beginning Teachers

In order to provide support and to assure continued application of and growth in these professional qualities, additional services are available and include remediation within the first two years after the Professional Educator Certificate. The College of Education at Athens State University encourages graduates and public school personnel to contact the College for any of the following support services:

- on-going mentorship of beginning teachers, including utilizing LiveText in day-to-day teaching and planning;
- curriculum laboratory resources;
- one-on-one support conferences;
- content support from other academic areas; and
- site visits.

Distance Education

The College of Education offers one online degree: the Bachelor of Science in Education -Technical Education: Instructional Design. All coursework for this major may be completed via distance learning. For further information regarding distance education, refer to the Academic Policies section in the Introduction and General Information portion of the catalog or the University website.

Transfer of Academic Credit – College of Education and College of Arts & Sciences with a minor in Education

Transferred courses and/or credits used to meet approved program requirements in professional studies, instructional support, or other approved program requirements (other than general education courses and Arts and Sciences courses used to meet academic major requirements) must have been completed at a regionally accredited institution that prepares teachers on the same degree level of certification.

The College of Education has designated specific courses in which transfer courses and/or credits are not accepted. For a complete list of these courses refer to College of Education website: www.athens.edu/education/transfer-of-academic-credit.

Courses, credits, and/or degrees accepted from institutions outside the United States shall be substantiated by an evaluation of the foreign credentials from a state, federal, or private foreign credential evaluation service recognized by the Alabama State Department of Education Teacher Education and Certification Office. The evaluation must show that courses, credits, and/or degrees were earned at an institution equivalent to a regionally accredited institution in the United States.

Remedial coursework is not accepted for transfer and cannot be used to meet program requirements. It may, however, fulfill prerequisite requirements, if applicable.

If an individual completes a Class B program at an institution and wants to return to the same institution for a new Class B program, professional studies courses common to both approved checklists are not subject to the five-course limit. However, if the individual has taken more than five professional studies courses on the checklist of the second program, no additional professional studies courses may be taken prior to unconditional admission.

Degree Programs in the College of Education

General University Requirements for Graduation

Every student planning on completing an undergraduate degree/major program at Athens State University must satisfy all University requirements and meet all financial obligations before a degree is awarded.

To be eligible to receive an undergraduate degree, a student must:

- Complete a minimum of 124 semester hours with at least 25 percent of the degree requirements earned at Athens State University.
- Attain a minimum institutional grade point average of 2.0 on all coursework attempted at Athens State University, and at least a 2.0 in the major field. **College or departmental regulations may require grade point averages higher than 2.0. These degree-specific requirements are published in the appropriate degree/major section of the University catalog.**
- Complete a minimum of 60 semester hours from an accredited baccalaureate degree granting institution; **at least 51 semester hours of credit must be at the 300-400 level.**
- Complete all of the general education and pre-professional courses (Areas I-V) required for the degree or major(s).
- Apply no more than 64 semester hours of non-traditional/non-graded college credit toward the degree.
- Complete all course requirements for the degree or major(s).
- Complete a minimum of 15 semester hours of upper level (300-400 level) coursework in the major at Athens State University, not including courses taken by reciprocal or visiting arrangements. **College or departmental regulations may require completion of more than 15 semester hours of coursework in the major at Athens State University. These degree-specific requirements are published in the appropriate degree/major section of the University catalog.**
- Complete all course requirements for the minor (when applicable).
- Complete the requirements for teacher certification (when applicable).

The rules, regulations, policies, fees and other charges, courses, programs of study, and academic requirements that appear in this catalog were in effect at the time of its publication and every effort has been made to ensure the accuracy of all information. The contents are published for informational purposes only, and do not constitute a contract between the University and any student, applicant for admission or other person. Statements regarding courses, programs of study, fees, and conditions are subject to change without advance notice.

Bachelor of Science in Education - Early Childhood Education Major (P-3)

EACH STUDENT MUST ASSUME RESPONSIBILITY FOR KNOWING THE ACADEMIC REQUIREMENTS FOR THE DEGREE THAT IS BEING PURSUED.

Program components for the Bachelor of Science in Education degree with a major in Early Childhood Education:

Applicable General University Requirements

Students earning the Bachelor of Science in Education (B.S.Ed.) degree with a major in Early Childhood Education must satisfy all general University requirements and meet all financial obligations before a degree is awarded. **Additional requirements for this program are:**

- Students must maintain a cumulative GPA of at least 2.75, **and** a minimum GPA of 2.75 in both the Professional Studies and Teaching Field Course Requirements. This is a requirement for student teaching and for graduation.
- Students must have a minimum grade of “C” in any required courses, regardless of whether GPA standards are fulfilled.

General Education Requirements

Area	Discipline/Course	Hours
I	Written Composition	6
II	Humanities/Fine Arts (12 hours total)	
	Fine arts course	3
	Speech (SPH 106, 107) course	3
	At least one literature course*	3
	Other courses in humanities or fine arts	3
III	Mathematics and Natural Sciences (11 hours total)	
	Finite math or higher mathematics course	3
	Natural sciences (lab-based) (recommended courses are Biology and Physical Science courses that will help students prepare for the Early Childhood Content Knowledge Praxis II test)	8
IV	History/Behavioral and Social Sciences (12 hours total)	
	At least one history course*	3
	PSY 211 Child Growth and Development or PS 332 Child Psychology	3
	Other courses in history or behavioral/social science	6
	*Students must complete a 6 hour sequence in either Literature (Area II) or History (Area IV).	
	Total General Education Requirement Hours:	41

Major Prerequisite (Pre-Professional) Course Requirements (Area V)

Area	Discipline/Course	Hours
	Natural Science (lab-based)	4
	Mathematics courses (lower level math 100 or above, not to include Remedial or Technical Math)	6
	One upper level mathematics course (which could include Precalculus Algebra or MA 311 Advanced Math for Teachers)	3
	CHD 206 Children’s Health and Safety	3
	CHD 209 Infant and Toddler Programs or ER 309 Early Brain Development	3
	One of the following courses: CHD 203, CHD 204, CHD 205, CHD 215, ER 318	3
	Total Major Prerequisite Requirement Hours:	22
	Total General Education and Major Prerequisite Requirement Hours:	63

Professional Studies Course Requirements

Course	Hours
ED 301 Introduction to Teaching	1
ED 302 Foundations of Education	3
ED 305 Technology and Media in Education	3
ED 322 Basic Principles of ELL Education	3
SE 301 Survey of Exceptional Learners	3
<u>ER 480 Internship in Early Childhood Education</u>	6-12
Total Professional Studies Requirement Hours:	
	19

Teaching Field Course Requirements

Course	Hours
AR 310 Fine Arts Connection	1
ER 302 Language Development and Developmental Interactions	3
ER 310 Principles of Early Childhood Education	3
<u>ER 319 Literacy and Literature for the Young Child</u>	3
ER 323 Curriculum & Instruction: Primary Reading	3
ER 326 Assessment in Early Childhood Classrooms	3
ER 327 Classroom Management in Early Childhood Education	3
ER 330 Children's Constructions of Relationships through Arithmetic and Mathematical Reasoning	3
<u>ER 430 Investigations, Experimentation & Inquiry</u>	3
<u>ER 470 Early Childhood Curriculum</u>	3
HPE 428 Early Childhood and Elementary Physical Education Curriculum	1
Total Teaching Field Requirement Hours:	
	29

Courses boldfaced and underlined in any of the tables above require admission to the Teacher Education Program (TEP) and may not be fulfilled by substituting courses completed at another college or university.

To submit a substitution request for other professional and teaching field courses completed at another college or university, students are required to provide an electronic copy of the course syllabus and/or description to their faculty advisor. This is an Alabama State Department of Education requirement. The Alabama State Department of Education ultimately decides whether or not a course will count as a substitution for an Athens State course after the syllabus and supporting documentation is evaluated.

Electives

Elective courses may be required to meet minimum degree requirements of 124 hours and upper level credit requirements. These may come from the courses below or other areas and **must be approved by the faculty advisor**. Elective courses may not include Professional Studies coursework.

Course	Hours
ER 309 Early Brain Development	3
ER 318 Literature in Early Childhood Education	3
ER 400 Children's Play as Symbolic Behavior	3
ER 402 Preschool Curriculum	3
ER 420 Parenting and Community Relations	3
Or other advisor approved electives from courses in the following programs or areas:	
Child Advocacy Studies Training (CAST)	
Educational Technology	
Instructional Design	
English Language Learner (ELL)	
Total Minimum Hours Required for Completion of Early Childhood Education Major

Courses boldfaced and underlined in any of the tables above require admission to the Teacher Education Program (TEP) and may not be fulfilled by substituting courses completed at another college or university.

To submit a substitution request for other professional and teaching field courses completed at another college or university, students are required to provide an electronic copy of the course syllabus and/or description to their faculty advisor. This is an Alabama State Department of Education requirement. The Alabama State Department of Education ultimately decides whether or not a course will count as a substitution for an Athens State course after the syllabus and supporting documentation is evaluated.

Electives

Elective courses may be required to meet minimum degree requirements of 124 hours and upper level credit requirements. These may come from the courses below or other areas and **must be approved by the faculty advisor**. Elective courses may not include Professional Studies coursework.

SPECIAL EDUCATION (Collaborative Teacher)

The Special Education Program at Athens State University is designed to prepare professionals to work with students across various age levels (K-6 or 6-12) who have disabilities. The program provides pre-service training in preparation for the class “B” certificate.

Bachelor of Science in Education - Special Education (Collaborative Teacher) (K-6)

EACH STUDENT MUST ASSUME RESPONSIBILITY FOR KNOWING THE ACADEMIC REQUIREMENTS FOR THE DEGREE THAT IS BEING PURSUED.

Program components for the Bachelor of Science in Education degree with a major in Special Education:

Applicable General University Requirements

Students earning the Bachelor of Science in Education (B.S.Ed.) degree with a major in Special Education must satisfy all general University requirements and meet all financial obligations before a degree is awarded. **Additional requirements for this program are:**

- Students must maintain a cumulative GPA of at least 2.75, **and** a minimum GPA of 2.75 in both the Professional Studies and Teaching Field Course Requirements. This is a requirement for student teaching and for graduation.
- Students must have a minimum grade of “C” in any required courses, regardless of whether GPA standards are fulfilled.

General Education Requirements

Area	Discipline/Course	Hours
I	Written Composition	6
II	Humanities/Fine Arts (12 hours total)	
	Fine arts course	3
	Speech (SPH 106, 107) course	3
	At least one literature course*	3
	Other courses in humanities or fine arts	3
III	Mathematics and Natural Sciences (11 hours total)	
	Finite math or higher mathematics course	3
	Natural sciences (lab-based) (recommended courses are Biology and Physical Science courses that will help students prepare for the Elementary Multiple Subjects Praxis II test)	8
IV	History/Behavioral and Social Sciences (12 hours total)	
	At least one history course*	3
	Human Growth and Development course (PSY 210, PSY 211, or PS 332 acceptable)	3
	Other courses in history or behavioral/social science	6
	*Students must complete a 6 hour sequence in either Literature (Area II) or History (Area IV).	
	Total General Education Requirement Hours:	41

Major Prerequisite (Pre-Professional) Course Requirements (Area V)

	Discipline/Course	Hours
	Natural Science course (lab-based)	4
	Mathematics courses (lower level math 100 or above, not to include Remedial or Technical Math)	6
	One upper level mathematics course (which could include Precalculus Algebra or MA 311 Advanced Math for Teachers)	3
