## FEEDBACK FROM PREVIOUS PARTICIPANTS

*"I liked that it was automatically added to my student account and that Connect was set up the first day of class."*

*"I liked that I didn't have to shop around for the best price."*

*"I usually have to wait until class day to order books and end up rushing a week behind. Sometimes I order from sites such as Amazon and the order comes in slightly different. This eliminates those problems, and I am able to start work the first day of class."*

## HOW THE PROGRAM WORKS

If you are enrolled in a participating course, you will automatically be enrolled in the "Access Athens" program.

The Athens State University Business Office will send an email to your Athens State email address with the cost of textbook/course materials. These charges will automatically be applied to your student account.

(No charges are applied if the course is dropped by the end of the Add/Drop period.)

If you choose to opt-out of the "Access Athens" program and purchase your textbook/course materials elsewhere, please email the Business Office at [business.office@athens.edu](mailto:business.office@athens.edu) by the end of the last day of the Late Registration/Add/Drop period.

Once the course begins, you will be provided with the digital course material that can be viewed online, and you can download it to your computer, tablet, or smartphone for offline viewing.

If you would like a print copy in addition to the digital book, please contact the Campus Bookstore for low-cost print versions.
