

General Expectations:

- To the extent possible, participate in the Association's programs and activities.
- Suggest possible nominees to the Board who are clearly individuals of achievement and accomplishment, and who can make significant contributions to the Association's progress.
- Serve in leadership positions or undertake special assignments willingly and enthusiastically when asked.
- Maintain membership in the Association and be supportive of other ASU related foundations.
- Know and commit to paying yearly Board dues in the amount of \$100.00.
- Prepare for and participate in quarterly Board meetings.
- Read and understand the Association's Constitution and Bylaws.

Article VI, Section 2, B

No name shall be submitted unless the person is a graduate of Athens State University, with a current paid membership in the Association. Members of the Board shall be elected for terms of three (3) years. All shall hold office for the term so elected and until their successors have been elected. Each member of the Board will make an annual contribution of \$100 to support the operations of the Alumni Association.

Athens State University does not discriminate on the basis of race, color, national origin, sex, religion, age or disability in employment or the provision of services.
