

## Unusual Enrollment History

Your 2013-2014 Free Application for Federal Student Aid (FAFSA) has been flagged for “Unusual Enrollment History Review” by the U.S. Department of Education because you received Federal Pell Grant funds at multiple education institutions during the review period of 2010-11, 2011-12, and 2012-13. This flag requires our office to review your enrollment history and determine if you are enrolling for a legitimate educational purpose. In the process of reviewing your enrollment history our office will check the National Student Loan Data System (NSLDS) to obtain a complete history including the name of institutions you have attended and the dates of attendance. If you have questions, contact us promptly to prevent delay in financial aid processing.
