

Course Delivery Types: How to Read in Degree Works

There are three types of delivery methods at Athens State: On-Campus/Traditional, 100% Online/Distance Learning, and Blended.

You can use your [Degree Works](#)¹ to configure your upcoming courses. When you click on a hyperlinked “**Still Needed**” course in your Degree Works, a pop-up provides the course description, its availability in the upcoming semester(s), and its delivery methods.

The detailed online [Academic Schedule](#)² can also be used to verify course formats, day/time, location, and instructor. After you register for a course, the course details can be found in your detailed schedule through your Banner Self Service in [myAthens Portal](#)³.
