The Writing Center

The Athens State University Writing Center provides free services to help both graduate and undergraduate students at any stage of the writing and communication process. Knowledgeable peer consultants conduct writing center sessions either in face-to-face sessions or online. We offer individual and group tutoring for many types of projects, including essays, research papers, presentations, and digital writing (such as blogs, wikis, & websites).

The Writing Center is located on the first floor of the Athens State University Library in the Learning Commons Area; turn right when you enter the library.

We provide face-to-face and live online sessions. Face-to-face sessions are preferred, as they offer the most useful way to facilitate communication between the client and consultant. Live online sessions are conducted either by video or by a "chat" feature quite like instant messaging. Online sessions

must be scheduled in advance, and students must “show up” online at the scheduled time to keep an appointment. View instructions on the website.

The Writing Center is staffed with consultants—students at Athens State—who work with their peers on various academic and professional writing assignments. Consultants engage clients in conversation about their projects, pose questions, and discuss revision strategies; they use a variety of methods—both directive and non-directive—to help clients successfully complete their projects. Consultants do not edit, proofread, or write texts for their peers—although they do have productive, educational ways to discuss grammar, editing skills, and proofreading.

For more information, visit the website: <http://www.athens.edu/writingcenter/>

The graphic features the Athens State University logo and the text "WRITING CENTER ATHENS STATE UNIVERSITY". Below this, it states "We can help you with a variety of writing assignments at any stage in your writing process. Come see us today!". A central diagram titled "The Writing Process" shows a central hub connected to six stages: Prewrite, Research, Draft, Revise, Edit, and Publish/Submit. To the right of the diagram, contact information is provided: "Contact info: writing.center@athens.edu", "256-216-6665", and "<http://www.athens.edu/writing-center/>".

Workforce Recruitment Program (WRP)

The Workforce Recruitment Program (WRP) is a recruitment and referral program that connects federal sector employers nationwide with highly motivated college students and recent graduates with disabilities who are eager to prove their abilities in the workplace through summer or permanent jobs. The U.S. Department of Labor’s Office of Disability Employment Policy (ODEP) and the U.S. Department of Defense’s Office of Diversity Management & Equal Opportunity (ODMEO) manage the program, which continues to be successful with the participation of many other federal agencies and sub-agencies. The recruitment cycle begins in September each year.

If you have any questions or would like to participate, please contact Athens State University's WRP Campus Coordinator:
